Experience

2021 - 2022

Abroad

Real Service Ltd

Senior React Js Developer

Developing new user-facing features using React.js. Building reusable components and front-end libraries for future use. Translating designs and wireframes into high quality code. Optimizing components for maximum performance across a vast array of web-capable devices and browsers.

2020-2021

Kigali

Bala Tech Hub

Laravel Developer

Discussing project aims with the client and development team. Designing and building web applications using Laravel. Working with front-end and back-end developers on projects. Recording and reporting on work done in Laravel. Maintaining web-based applications. Presenting work in meetings with clients and management

2018-2020

Online

Freelancer

UI/UX Designer

Gather and evaluate user requirements in collaboration with product managers and engineers. Illustrate design ideas using storyboards, process flows and sitemaps. Develop UI mockups and prototypes that clearly illustrate how sites function and look like.

Education

2020-present

Nyabihu

Rwanda Coding Academy

High School Diploma in Programming, Software Development and Embedded Systems.

This is the best coding school in Africa where we emphasize on team work and project session management. Hence being able to create amazing digital product solutions

2018-2020

Gasabo

Petit Seminaire Saint Vincent

Ordinary Level

I acquired the ordinary level best skills in order to learn the programming courses easily. I was awarded one of the best quick learners and performers in the end year exams.
